Please answer the following questions in 300 words or less, unless otherwise specified.

- 1) An overarching goal of Special Olympics is to spread the mission of inclusion. As of now, what does Special Olympics and its mission of inclusion mean to you? What makes you interested in applying for Committee specifically? There is no correct answer; be honest and confident in your response.
- 2) A large part of planning for Fall Festival is working in teams. We recognize that each member of a team is important and brings different backgrounds, perspectives, and strengths. Give an example of a time when you were on a team and what are two strengths you believe you brought to the situation? What did you take away from the team dynamic you experienced?
- 3) What is something that motivates you?
- 4) In 200 words or less, please answer the following question. It is a cold day outside, so you understandably order a hot chocolate from Holy Grounds. For some reason, you then decide to open a hot chocolate company in Florida. How would you approach selling hot chocolate in Florida on a hot day?

We will be unable to accept all applicants onto Committee this year. However, we promise to give everyone the ability to spread the mission of Special Olympics should they wish to. If you are not placed on Committee this year, there will be several opportunities to get involved with Inclusion Crew, Volunteer Coordinators, Athlete Practices, Unified Events, Fundraising Events among various other events throughout the year. We will continue to communicate with you regarding these opportunities throughout the year!
